SENATOR SAVAGE: The bill is advanced. Clerk will now read LB911.

CLERK: Read LB911.

SENATOR SAVAGE: Senator Goodrich.

SENATOR GOODRICH: Mr. President, members of the body. This bill is a bill to clarify the duties for example that a boarding house can perform such as the social and domestic duties were added to the statutes so for example the operator of a boarding house can take people for shopping tours, they can take them for recreational tours and that sort of thing. The Department of Agriculture for example has a question on their minds on the wording of the statutes as to whether or not the operator of the boarding house could do that type of services. Also, it includes the ability to use a facility with a common kitchen as opposed to having to have a restaurant or a commercial type restaurant in the home. It only pertains to homes that are licensed and that have over five rooms in them. I move the advancement of the bill.

SENATOR SAVAGE: Any discussion? If not the question is to advance LB911. Please vote. Those in favor vote aye, those opposed vote nay. Please vote. Have you all voted? Clerk will record.

CLERK: 25 ayes, 0 nays and 24 not voting.

SENATOR SAVAGE: Bill is advanced. Next bill the Clerk will read LB852.

CLERK: Read LB852.

SENATOR SAVAGE: Who is going to handle this bill? Senator George?

SENATOR GEORGE: Mr. Chairman, this bill was brought in at the request as I recall, of Senator Fitzgerald. He has a particular problem in his district and this bill would correct that situation. I move for the advancement of the bill.

SENATOR SAVAGE: Any discussion? Senator Dickinson.

SENATOR DICKINSON: I think that I need a little more discussion than that Mr. Chairman. I would like Senator George or someone tell us what the problem was and what the solution is proposed to be.

SENATOR SAVAGE: Do you care to respond Senator George?

SENATOR GEORGE: As far as I can recall there is no additional expense involved. Senator Fitzgerald does have ninth graders living in that district, school buses practically go by their house but with existing law they can not be picked up. This would correct the situation. Senator Fitzgerald is here. Would you care to add something to this?
